

Rainbow of Cultures Summer Camps Brought to You by the Multicultural Association of Fredericton Inc.

Week 1- June 25th-29th: Tapestry of Diversity

Our first week will be an exciting introduction to the world's diverse cultures! It will be spent getting to know each other and learning about cultures from around the world! Campers will learn how to say "hello" to their new friends in multiple languages (we are excited to learn from you too!) Cultural crafts, Zumba and games will start this day camp off in an awesome way!

Week 2- July 2nd- 6th: Carnaval de Musical Baile: Tunes from Around the World

For this week, we will be celebrating music from various cultures with a focus on exploring the beauty of Latin America. Campers will learn traditional Latin American dances from special guests, arts and crafts and traditions. Fun games will be played such as cultural musical chairs and more (kids should expect nothing but the best highlights of Latin America; this is going to be incredible). Campers will have a blast discovering diversity in the world's music and learning new phrases from Latin America!

Week 3- July 9th-13th: The Beauty of World Rivers/Wolastoqiyik

As you know we are on the territory of the Wolastoqiyik. This week we will be exploring North America, indigenous culture and rivers around the world! Activities will include a trip downtown to walk along the St. John River and see the lighthouse while learning about river ecosystems! Later in the week, campers will take a trip to Mactaquac beach and family members are invited for fun under the sun! Campers will enjoy a performance of indigenous dance and music. Making dream-catchers and other indigenous crafts will keep the campers entertained all week long!

Week 4- July 16th-20th: Ubuntu/Togetherness

For week four we will be celebrating **Ubuntu** which means togetherness. We will be taking you for a trip around Africa to explore this diverse continent and its various cultures! Campers will enjoy a fun safari scavenger hunt and participate in live African drumming sessions from our dynamic guests (campers will feel the energy as they come together throughout this week!) Also, the New Brunswick African Association's youth group Making Africa Proud will teach campers amazing African dance styles and a lot more! Campers will enjoy learning new vocabulary from a multitude of languages in Africa. Also, we have a trip planned to the Charlotte Street Art Centre for a tour and African themed arts and crafts!! At the Rainbow of Cultures Summer Camps, the campers will have opportunities to visit other locations such as The Ville, the Beaverbrook Art Gallery, Fredericton Playhouse, City Hall with the Mayor and the Lieutenant Governor plus much more.

Week 5- July 23rd-27th: Asia and the Diversity of Landscapes

Asia is the biggest continent in the world so this week campers will learn about its diversity in landscapes and climate, from the freezing mountains of Nepal to the sunny beaches of the Philippines and every country in between! The Chinese Cultural Association has prepared an exciting presentation for our campers. Also, we will be teaching the campers a traditional Middle Eastern dabke dance! Along with learning words from different countries in Asia, they will complete fun cultural crafts such as paper lanterns and origami!

Week 6- July 30th-August 3rd: World

We are very excited to let you know that this is our last week of the Rainbow of Cultures Summer Camps! Because this week is so special to us and the kids, we will be doing lots of world-related games, crafts, and songs along with our end of year **TALENT SHOW!!!**
